Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Attn: Office of Petitions

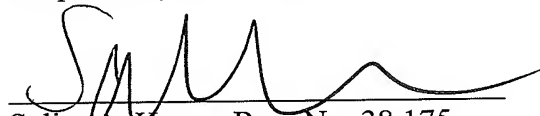

Dear Sir:

The Applicants inadvertently failed to supply the correct Assignee name on the Issue Fee Transmittal Form PTOL-85B. The correct Assignee name, H2S Technologies Inc., was recorded for U.S. Patent Application No. 10/790,530 (now U.S. Patent 7,455,828 B2) in the U.S. Patent and Trademark Office on September 14, 2004, at Reel 015125, Frame 0900. A copy of the Notice of Recordation of Assignment Document is attached hereto.

Since the Assignment properly was recorded before the issuance of the patent, the Applicants respectfully request that the Assignee be corrected under 37 CFR 3.81(b). The Commissioner is hereby authorized to charge the \$130.00 processing fee as required by 37 CFR 1.17(h) to Deposit Account No. 12-1216.

The Applicants also request that the file be forwarded to the Certificates of Correction Branch, for issuance of a Certificate of Correction, if the Request is granted. A fee of \$100.00 previously was submitted on March 31, 2009, for consideration of a Request for Certificate of Correction. It is believed that an additional fee is not required. However, the Commissioner is authorized to charge any additional fees associated with this communication and to credit any excess payment to Deposit Account No. 12-1216.

Respectfully submitted,
